Subject : Recommendation letter for Mr Alexandre Overtus

It is with great pleasure that I had the opportunity to work as a Project Manager with Mr Alexandre Overtus, who held the function of Analyst Developer Consultant within Adneom Benelux from October, 5th 2015 until July, 1st 2016.

During this period, Mr Overtus was fully invested in the different assignments entrusted to him. He has demonstrated motivation and involvement, he intervened even during unusual times to achieve the required objectives. He also offered innovative solutions to problems. Mr Overtus would without doubt make a great addition to your company.

Available and proactive, Mr Overtus was a good collaborator who brought full satisfaction to Adneom Benelux, I highly recommend him for employment.

If I can be of any further assistance, or provide you with any further information, please don't hesitate to contact me.

Sincerely,

Anaïs Boniface
